

Accessibility Statement

Alpha A/C Services

At Alpha A/C Services, we are committed to ensuring digital accessibility for all our customers, including people with disabilities. We strive to provide an inclusive and user-friendly experience on our website and services.

Measures to Support Accessibility

We take the following measures to improve accessibility on our website:

Using clear and simple language.

Designing pages to be navigable using keyboard-only commands.

Ensuring sufficient color contrast for text and backgrounds.

Providing alternative text for images and non-text content.

Following best practices for responsive design to support various devices and screen sizes.

Ongoing Efforts

Accessibility is an ongoing effort. We regularly review our website and update content and features to enhance accessibility and usability.
